

- The Bible is a book that reveals who God is and that He created the heavens, the earth, and everything within them. It shows that people sinned and became separated from God. It makes clear that Jesus, the Son of God, came as the Redeemer of all people to bring them back into right relationship with God. Those who accept Jesus as Redeemer will spend eternity with God. Jesus forgives sins.
- Followers of Jesus Christ should seek the will of God.
  
- The Holy Spirit fills followers of Jesus with the knowledge of God.
- Christians should then express this knowledge through music and singing.
- Christians should pray and give thanks to God no matter the circumstance.
- Christians have to **decide** to obey the Holy Spirit in order to consistently and regularly pray and give thanks.
- Christians should pray for those in authority.
- God gives His peace to Christians who pray.
- The practice of thanksgiving through prayer develops a godly habit. The result of this habit draws Christians into a deeper and closer relationship with God.
- Christians should thank God for others, demonstrating love and appreciation to them.
