EDUCATION

I graduated from LSU and from there went to work in Baltimore, MD. This is my 2nd year at FBCS and I really love working with all the students and the amazing staff here.

FAVORITE THINGS

- Hanging out with my family
- Dark chocolate
- Sweet tea
- Coffee
- Being outside
- Fishing
- Smart Food (popcorn)
- Home renovation & design
- Thrifting & bargain hunting!

ABOUT ME

I am married and have 2 children, who are here at FBCS as well. I am originally from Louisiana, but my husband and I moved to Maryland after college. From there, we have lived in Mississippi and Dallas, TX...but decided to move home to be closer to family.

I love being outside on my porch with a good cup of coffee – while watching our chickens.

If I am not at home, you can probably find me thrifting or at Dirt Cheap.

(I don't mind the digging ☺)

A NOTE FROM YOUR NEW TEACHER

Welcome to fourth grade! I am really excited about this year. I am looking forward to getting to know each one of your children. Your child's academic and spiritual growth will be an awesome thing to see throughout this year.
