Someone Special is Coming

(solo 1)

I'm feeling stressed,
gotta take control and
manage how this story's told.
Can't let it be misunderstood.
Just making sure that my boss looks
good.
The press can be such an awful pain
when ev'ryone's wanting me to explain.
'Cause Someone special is coming,
coming to my town.
I can't wait to see this Someone special
that's coming.
And ev'ryone is looking at me, saying
"Who could it be?"

A King is Coming to Town

(solo 1)

Shepherds were out on a hillside
Watching their flocks by night,
when an angel of the Lord stood
before them,
and their hearts were all filled with
fright.

(solo 2)

But the angel said, "Don't be afraid of
me,
there's a reason that God sent me
down.
Good tidings of joy I bring to you:
A King is coming to town!"

(choir)

Get up and go find your Promise.
Leave ev'ry thing behind.
Sorrow and mourning are over;
it's celebration time.

Sin will not rule any longer.
God's love and grace now abounds.
Things aren't gonna be
the way that they've been anymore.
A King is coming to town.

(solo 3)

If sin has taken you captive,
or sorrow has locked you in chains,
if you're fearful of facing tomorrow
and all of the pain it may bring,

(solo 4)

Let me tell you that I bring good news
to you.
A decree has been sent through the

land.

It's jubilee, all pris'ners are free.
The King has come with hope in His
hand.

(choir)

Get up and go find your Promise.
Leave ev'ry thing behind.
Sorrow and mourning are over;
it's celebration time.

Sin will not rule any longer.
God's love and grace now abounds.
Things aren't gonna be
the way that they've been anymore.
A King is coming to town.

(choir)

Get up and go find your Promise.
Leave ev'ry thing behind.
Sorrow and mourning are over;
it's celebration time.

Sin will not rule any longer.
God's love and grace now abounds.
Things aren't gonna be
the way that they've been anymore.
A King is coming to town.

Things aren't gonna be the way that
they've been.

No, things aren't gonna be the way
that they've been.

No, things aren't gonna be the way
that they've been anymore.

A King is coming to town, coming to
town.

A Child Like Me

(solo)

If You had come on a big white horse,
so mighty and so strong,
I might have been afraid to talk to You,
afraid that I'd say something wrong.
But when You came the way You did,
to such a simple place,
You let us see an awesome God
with a sweet and tender face.

And You made it easy for ev'ryone to
come,
'cause ev'ryone loves babies,
even God's own Son.

And You wrapped Your power in
sweet simplicity.
Jesus, I thank You for coming as a
child like me.

(choir)

You wrapped Your power in sweet
simplicity.
Jesus, I thank You for coming as a
child like me.

(solo)

Like me.

(choir)

Lord Jesus, we thank You
for coming as a child like me.

In All Things

In all things, in all things
You are King.
Yes, You are King.
I won't worry over anything,
but I will sing, "Jesus, You are King."

In all things, in all things
You are King.

Yes, You are King.
I won't worry over anything,
but I will sing, "Jesus, You are King."

I won't worry over anything,
but I will sing, "Jesus, You are King."
Jesus, You are King.
Jesus, You are King.
