## Re-Registration Information

Dear Parents,

Headmaster is phasing out at the end of this school year. We are moving over to FACTS as our grading, financial, and student/family information portal. Report cards will no longer be paper documents. Financials will all be in one place whether it's your lunch bill, PE uniform, tuition payment, sports fees, etc. You will get to pay through ACH or credit card using the online program. FACTS will also allow you to re-register every year online without having to come to the school office.

Our problem this year is that we will not be able to go live with FACTS until April. Therefore, we are going to ask you to re-register on paper again this year and then, when we go live, go online and do the paperwork for re-registration. So, starting today, we are asking you to fill out the following paper for those of you who are re-registering and send in the registration fee using credit card, Zelle, cash or check. We will let you know in April how to make a FACTS account, enter your information into the new system, and pay the remaining fees and tuition.

I cannot tell you how excited I am to have an integrated system that can house all of our information in one place. For you as a parent to get emails from Mrs. Judi regarding your lunch bill, Mrs. McLemore on your tuition, homeroom teachers about t-shirts, and on and on is ridiculous! I'm thrilled to be able to consolidate the information and make our program so much better for our parents, teachers and staff! Hopefully, the move over to FACTS will be easy and everyone can get online by the middle of April.

Please go to the attached pages for re-registration signup and the 2024-2025 Fee Schedule information.

Thank you!

God bless!  
Ms. Nelson

# FBCS 2024-2025 Fee Schedule
